To the Honorable Mayor
and the Municipal Legislature
Municipality of Juncos
Juncos, Puerto Rico

In connection with our audit of the basic financial statements of the **Municipality of Juncos** as of and for the year ended June 30, 2019, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the basic financial statements and not to provide assurance on the internal control structure.

Also, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatements, we performed test over the **Municipality of Juncos's** compliance with certain provisions of laws, regulations, contracts and grants. However, the objective of our audit of the financial statements was not to provide an opinion or overall compliance with such provisions.

This memorandum summarizes our comments and suggestions. These comments are not significant enough to be considered significant deficiencies as defined by AU Section 325 "Communicating Internal Control Related Matters Identified in an Audit". A separate report dated March 15, 2020 contains our report on significant deficiencies in the Municipality's internal control structure, and separate report dated March 15, 2020 contain our report on compliance with laws, regulations, contracts, and grants based on an audit of the financial statements. This letter does not affect our report dated March 15, 2020 on the financial statements as of and for the year ended June 30, 2019.
