To the Honorable Mayor
and the Municipal Legislature
Autonomous Municipality of Arroyo
Arroyo, Puerto Rico

In connection with our audit of the basic financial statements of the **Autonomous Municipality of Arroyo** as of and for the year ended June 30, 2020, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the basic financial statements and not to provide assurance on the internal control structure.

Also, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatements, we performed test over the **Autonomous Municipality of Arroyo's** compliance with certain provisions of laws, regulations, contracts and grants. However, the objective of our audit of the financial statements was not to provide an opinion or overall compliance with such provisions.

As a result of our evaluation, we noted certain areas where financial matters should be considered, procedures improved, and administrative controls strengthened. This memorandum summarizes our comments and suggestions. These comments are not significant enough to be considered significant deficiencies as defined by AU Section 325 *"Communicating Internal Control Related Matters Identified in an Audit*". A separate report dated March 10, 2021 contains our report on significant deficiencies in the Municipality's internal control structure, and separate report dated March 10, 2020 contain our report on compliance with laws, regulations, contracts, and grants based on an audit of the financial statements. This letter does not affect our report dated March 10, 2021 on the financial statements as of and for the year ended June 30, 2020.

We will hope to provide our services to you in the next fiscal year audit. Thank you for your trust in our Firm.

Very truly yours,

Angel Alfredo López Vega
